OUR COMMERCIAL RELOCATION SERVICES INCLUDE:

- Crate hire, packaging, and labelling
- Packing and unpacking service
- Full site survey to mitigate unexpected costs
- Detailed move itinerary
- A dedicated move manager
- IT and server room relocation services.

All goods are fully insured in transit, with the option to add specific coverage for high-value items. Trust us for reliable corporate relocation services and expert commercial installation services for business moves.

Industrial relocations

Designed to minimise downtime, we offer comprehensive services for industrial relocations. From moving entire factories to relocating heavy machinery, our team has the expertise to handle it all.

Our warehouse relocation experts are experienced in handling business machinery installation for a wide range of industries.

We specialise in moving:

- Laser cutters
- Recycling machinery
- Power presses
- Grinders
- Moulding machines
- Hydraulic presses.

As business equipment movers with decades of experience, we provide full site surveys, packaging, lifting, and storage solutions when needed, ensuring a smooth process from start to finish.

Scientific relocations

Our trusted team provide laboratory relocation services for some of the UK's leading scientific institutions, including the University of Cambridge Cavendish Laboratory and the British Antarctic Survey. From medical office relocation services to handling sensitive scientific equipment, we ensure the highest standards in every move.

Installation experts

We specialise in the collection, distribution, relocation, and installation services for all types of office furniture, laboratory equipment, and other business assets. Whether you're in the corporate, scientific, or industrial sector, our team handles every project with care, making us your go-to business installations services provider.

Commercial moves

Take the stress out of your commercial move with our tailored business moving and installation solutions. Our services are designed to meet your specific needs, from simple transportation to full-package relocation services. We're experienced in corporate office relocation and installations, ensuring that every aspect of your move is covered.

We specialise in moving:

- Air pressure level laser tables
- Laboratory equipment in older and protected buildings.

Our advanced equipment, such as skates, stair climbers, lifting jacks, and hoists, allows us to safely move equipment through narrow corridors, steep stairways, and restricted lifts. Whether you need us for a small lab or an entire institution, we're the best office movers for business relocations in the scientific sector.

Full-service office & laboratory relocation

We offer full-service office and laboratory relocation, handling everything from site surveys to post-move cleaning. Our retail store relocation and business equipment movers services ensure minimal disruption to your operations. Our corporate office movers will get your business back up and running quickly, and we can even assist with server room relocation services.

I'M THOROUGHLY IMPRESSED WITH WELCH'S SEAMLESS INSTALLATION OF EQUIPMENT FOR US IN VARIOUS INSTITUTES. THEIR EFFICIENCY, PROFESSIONALISM AND DEDICATION CONSISTENTLY MEET OUR EXPECTATIONS, MAKING WELCH'S A VALUABLE PARTNER IN OUR PROJECTS.
